

AND  
WE DO NOT SENT YOU,  
BUT AS A MERCY TO MANKIND

21:107

Holy Quran

... for all the creatures

O you who covers himself!

Get up and admonish!

And exalt your Lord!

And purify your clothes!

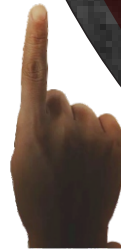

And run away from abomination!

And do not expect, when giving,  
any increase (in your interest)

But persevere,  
for the sake of your Lord.

74 : 1-7

## La ilaha illa Allah

*So proclaim openly what has been ordered  
to you, and depart from idolaters. (15:94)*

After Allah command, the Prophet voice  
then resounded in Makkah, proclaiming the  
Message that had been sent to him.

Communicate and warn everyone. These  
were the first duties of the messenger of  
Allah. It was necessary to warn people of  
Allah punishment, if they did not abandon  
injustice and idolatry. The message was  
simple:

There is no divinity but Allah.

The truth, the faith, the piety, the virtue, the  
sincerity, the freedom, are the pillars of the  
Islamic State built by Muhammad.

The Prophet's companions soon recognized  
their responsibility. They were sure that they  
would be accountable for all their actions and  
that their situation in the hereafter depended  
on them. So they followed in the Prophet's  
steps and helped him to proclaim the good  
news.

Holy Quran 5 : 3

Today, I completed the  
religion for you...

Ach'hadu an la ilaha illa Allah, wa Ach'hadu anna Muhammadan rassulu 'Allah.

Testimony that there is no deity other than Allah,  
and that Muhammad is His servant and Messenger.

لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَسُولُ اللَّهِ

# FOLLOWING THE STEPS OF PROPHET

صَلَّى اللَّهُ  
عَلَيْهِ  
وَسَلَّمَ

The messenger of Allah was in charge of making humanity aware when it was immersed in paganism. He busied himself with releasing the human reason that was imprisoned in his desires and lusts. While he managed to free his companions' conscience from the burdens and falsehoods of paganism and earthly life, he waged battle in another field: Successive battles against the enemies of Islam and against those who conspired against him.

Did I give you  
the message? Allah is  
the Witness.

Muhammad ﷺ strove to call people to the religion of Allah and was perceptive in carrying out his task. Despite the harsh circumstances and the conspiracy of the whole world against him, he continued his call effectively and actively surrounded by believers who were dedicated, in an unrelenting work and enormous patience.

For more than twenty years, the Messenger of Allah has faced the jihad with firmness and continuity, deviating from any other issue that escapes this noble goal. So it went on, until the message of Islam could be transmitted to all mankind, following the order of Allah ﷻ.

# AL BĀQIYAH

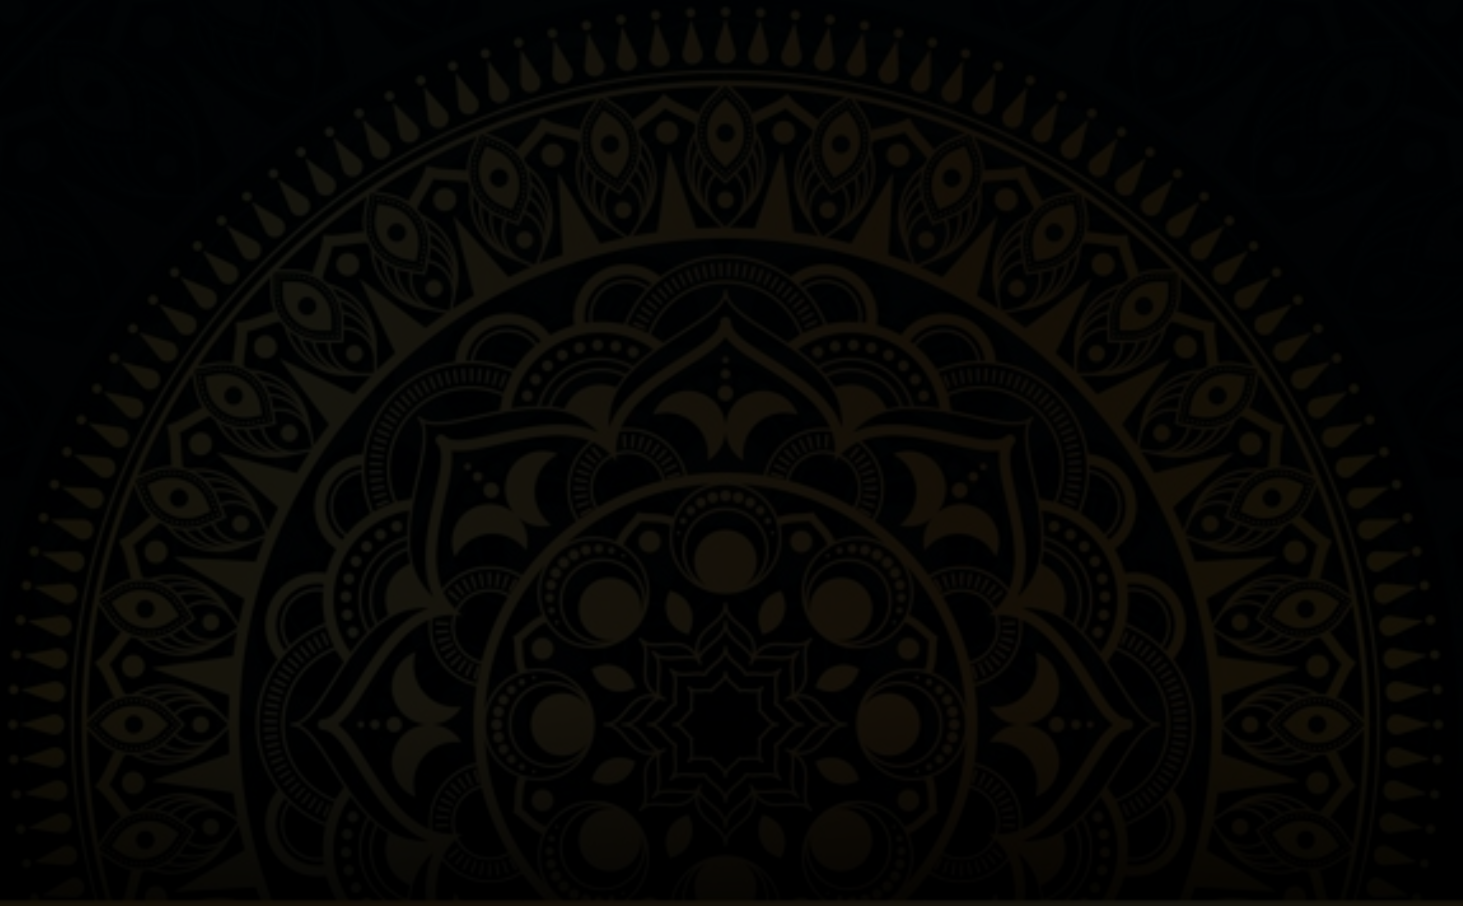

However, the battle is not over. The struggle to free humanity from superstitions, corruption, impurity, injustice and tyranny. The search for a world built on the solid foundations of Divine Law, in which are virtue, purity, piety, kindness and sincerity. It is a permanent dispute, where Shaytan is confronted, who has not ceased to exercise his activity in the depth of human consciousness.

If discouragement inflicts the believer's bosom, Allah ﷻ words come to his protection:

*So let those fight in the cause of Allah who sell the life of this world for the Hereafter. And he who fights in the cause of Allah and is killed or achieves victory - We will bestow upon him a great reward. (4: 74)*

When believers recognize their earthly purpose, the whole ephemerality of life becomes more prominent. Uncertainties, anxieties, lose space for the noble mission. Communicate, warn and spread religion to all peoples.

And do not mix the truth with falsehood or  
conceal the truth while you know it.
